Why Lenovo ThinkCentre?

ThinkCentre - the Ultimate Business Desktop

- Rock Solid Reliability
- Thoughtful Design
- Low Total Cost of Ownership

Lenovo Workhorse Configurations

The M58, M58p and M58e families feature hardware configurations (processor, memory and hard drive) with planned availability until product end of life.

What is Image Stability?

Lenovo PC's in the same family have a stable working image despite any changes in Processor, Memory, Optical and Hard Drive. Qualify one, deploy many.
